

OLD FASHIONED FAMILY REMEDY

For Colds, Grip, Pneumonia And Body Building.

Father John's Medicine Builds New Strength During the Getting-Well Stage After Any Illness.

Heals Throat and Lungs. A Doctor's Prescription. Free From Alcohol and Dangerous Drugs—60 Years in Use.

The getting-well stage of grip is the most dangerous of all because the body, weakened by the grip, is wide open to attacks of other lurking disease germs.

That is why all the organs of the body must be kept in their best working order, not only to drive out the poison left by the grip germ, but that the patient shall regain strength as soon as possible to avoid further attacks resulting from the poisons in the system.

As a means toward good health after the grip, Father John's Medicine builds up the body, because it is all pure wholesome nourishment and free from opium, morphine, chloroform or other poisonous drugs or alcohol. Father John's Medicine has had sixty years' success for colds and throat troubles, coughs and sore throats, and as a tonic and body builder.—Adv.

THE MOST DANGEROUS OF ALL DISEASES

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Danger is in sight.

Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back, wake up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

NERVOUSNESS ON THE DECLINE

Doctors Encouraged, They Hold Out Hope for All

"Nothing wrong but my nerves." We hear it at home, at work and everywhere. Certainly, nervousness is a disease. A man or woman might better have a broken leg than a shattered, run down nervous system.

Overwork and worry drains the nerve cells and robs you of all your strength and vitality, then you get your sleepless nights, poor blood, nervousness, worry and fear. The better doctors of today know just what to do in cases of this kind. A few weeks' use of Phosphated Iron rarely fails to strengthen and feed the Phosphated-nervous centers.

Phosphated Iron certainly does take hold. The way the majority of patients come back is remarkable.

What a change in appearance, too. The cheeks become filled out and flushed and painted; benumbed, gray and only pure, red, ironized blood can give eyes sparkle, their step has the spring and swing of youth and their whole system seems to be alive with energy and good spirits.

Mr. Nervous Man or Woman, Phosphated Iron will do all this for you if you will give it a chance. Do not drag around, all in and half dead another day when help is so near. Get busy! and be a live one once again!

To insure doctors and their patients getting the genuine Phosphated Iron we have put in capsules only, so do not allow dealers to give you pills or tablets. Insist on capsules.

20th Anniversary

Twenty years of continuous business in Barre in the same line; and our confidence in realty in this section is stronger than ever. We have watched it develop and we anticipate more rapid development. Prices will be higher—city and farm property will both advance! DO NOT DELAY—BUY REAL ESTATE NOW!

City Property

Vacant property is filling up. The demand is such that it is difficult even now to secure a really desirable tenement; and city property is changing hands. Prices will advance. The answer is—buy now! Look these over; the prices are low; they will be higher.

BARRE CITY HOUSE located on splendid street, only one minute to the carline. Is strictly modern, divided in the center; nine rooms on each side; plumbed, set tubs, heated, hardwood floors; natural wood finish; two large windows in front; wide porch. Is back plastered.

COTTAGE OF SIX ROOMS, large lot and barn 40x26 feet, big enough for garage or would make a good paint shop. Main street location. This desirable home is only a short walk to postoffice. Price, \$3,000.00.

MERCHANT STREET RESIDENCE of eight rooms; steam heat, modern plumbing; barn or garage and extra large lot, 825x132 feet; five fruit trees and several shade trees. This desirable property is well worth the price, \$3,200.00. Terms one-third cash.
